Sub- Participation of Students who have won any Technology/Science competition (Oral/poster/model etc.) earlier **without any registration charges in the National Conference.**

Dear Sir/Madam

Greetings from BIT Mesra, Patna Campus.

BIT Mesra, Patna Campus is organizing a National Conference on Innovation and prototype patent in the area of Pollution control/Energy/Medical Diagnostics and others. Experts from Indian Institute of Science, Bangalore, National Metallurgical Laboratory Jamshedpur as well as IIT's, NIT's and other premier Institutes are expected to deliver Lecture during two days conference i.e. on 13<sup>th</sup> and 14<sup>th</sup> December, 2022.

To promote/encourage future entrepreneur, our Conference Committee has decided to allow maximum 5 participants per College/School/Institute including the mentor faculty in the conference, they are exempted for paying any registration fee etc. These student participants should be earlier winner of any competition at Inter-School/School/State/National level competition. Space for their model/poster will be provided at conference venue, selected posters/model will be awarded.

You are requested to encourage the student and mentor faculty to participate. Registration can be done online at Conference web portal

<https://nanotechsociety.org/sample-page/>

25.12.22

or they can send a mail mentioning the Name, Organization's name, Topics of poster/Modeland they can send their earlier competition wining certificate. Email ID – [conferecebitp@bitmesra.ac.in](mailto:conferecebitp@bitmesra.ac.in) cc [sk.sinha@bitmesra.ac.in](mailto:sk.sinha@bitmesra.ac.in)

Best regards

Sincerely yours

Dr S.K.Sinha

Associate Professor

Convenor, NCIPP-2022

Enclosure : Poster and Souvenir of the National Conference

The key idea of this conference is to discuss the advancements in the area of environmental research and associated human health effects. With increasing urbanization, pollution is becoming an important aspect of human health discussions. Identification of sources of pollution, their detection and measurement, associated human health hazards and the effective methods to contain them have now become the center of latest research.

Six tracks have been identified for this conference. Papers are invited under but not restricted to these tracks. Original contributions shall be peer reviewed and once accepted, shall be invited for conference presentation.

Due consultations are on with the leading SCI and SCOPUS journals to consider the selected conference papers for journal publications.

**INVITED TALKS**

Invited talks will be delivered by the experts from IISc, IITs, NML, IIC(AICTE), NITs. Resource persons from the industry shall be invited to discuss the recent advancements happening in current industries.

**INNOVATION EXHIBITION & PRIZES**

Grassroot level and other innovators will be invited to showcase their prototype. Prizes will be given to the selected innovators.

**TRAVEL ASSISTANCE**

Sleeper Class ticket fares will be reimbursed to the students depending on the availability of fund.

**TRACKS OF THE CONFERENCE**

For sub-topics please visit the conference web site

- Track 1: Air, Water, Soil- Pollution/detection System
- Track 2: Municipal/Industrial Waste Management
- Track 3: Energy Harvesting
- Track 4: Radiation Hazard
- Track 5: Human Health Diagnostics System
- Track 6: Innovation, Prototype, Patent

**REGISTRATION FEE and ACCOMMODATION**

- For Online Registration, Pl. visit the website
- Pay the registration fee through NEFT
- Fill the registration form, attach the filled registration form and payment proof and mail it to [conferencebip@bitmesra.ac.in](mailto:conferencebip@bitmesra.ac.in)
- Accommodation can be provided to faculties (in guest house) and students (in hostels) on payment basis
- Fee includes kit, lunch and tea breaks

**Registration Fee**

Employees from Industry and R&D Org.	Rs. 3,000
Faculty from Academic Institutions	Rs. 2,500
Research Scholars and Students	Rs. 500
